HOLIDAY ABSENCES

Are you planning a family trip for the holidays? Every year, absences spike during the weeks before and after the winter holiday season. We recognize that holidays are an important time for reconnecting with families far away. However, even a few missed days can add up. So, please arrange family trips around scheduled school days. Our teachers will be teaching, and our students will be learning, right up until vacation starts and the first day back. If you are taking a trip that takes your student away from school, please be sure to submit a request for the absences to be excused prior to taking the trip.

BENCHMARK TESTING

Benchmark testing begins soon. Benchmarks are given in all courses where an SOL test will be taken this year. Please check your student's Schoology course pages for details on the benchmarks.

WINTER BREAK

Winter Break is just three weeks away. It runs from December 18 – January 1. School resumes on January 2, 2018.
