SENIOR PICTURES

Senior Portrait make up day is September 28th. Seniors must sign up to take these pictures by September 25th. All Senior English teachers have a sign-up sheet. If you have any additional questions, see Mrs. Terry in room 1107 before or after school.

THURSDAY – HALF DAY

Students have a half day of school on Thursday due to a teacher staff development day. AM tech students will report to tech as planned. A grab and go lunch will be available to students. The menu will be limited to two choices. While students are allowed to take the food on the bus, they are not allowed to eat on the bus. School will dismiss at 12:55 PM.

FEES

We are still accepting fee payments. Any teacher can receipt your student's fees. Seniors need to pay their fees as soon as possible so we can order caps and gowns for Convocation in October. Unpaid fees will remain on your account until they are paid. They will ultimately impact your student's ability to purchase Prom tickets or pick-up Graduation tickets.

LAPTOPS

Laptop distribution will continue on Monday. Your student MUST return the Code of Conduct form and the Laptop Charger form in order to be issued a laptop. Last week, we had many forms turned in without student names on them or with names that were illegible. Please print your student's name on the forms.

Also, if your student didn't return his/her charger last year, we did not issue a new one. Please return the old charger, or pay the \$25 lost charger fee, so we can issue a new charger.

If you haven't paid the \$50 laptop fee and the \$5 Information Access and Retrieval Fee, I urge you to do so immediately. Those fees remain on your account until they are paid. If you qualify for a reduction on the laptop fee, you must return the required form AND attach the required documentation. We received many forms without documentation. If you returned your form without documentation, please see Mrs. Brown in the main office. All reduced laptop fees must be paid in the main office. The teachers cannot adjust the fee.
