HORNS UP

Horns Up this week go to the boys and girls basketball teams. Both teams defeated Henrico on Friday night. Playoffs begin on Friday, February 16. Details about who we will play will be released midweek.

ABC CHANGE

Beginning Tuesday, February 13, ABC will move to the block following 5th period. It will no longer be held during the lunch block. Students are expected to report to ABC. If a student has a pass to an ABC other than their own, they can report to that teacher. Otherwise, students must report to their assigned ABCs. Additionally, students should only be in the lunchroom for their assigned lunch. We will be clearing the cafeteria between each lunch to help the students return to class.

FOOTBALL FIELD CONSTRUCTION

Construction on the football field has begun. As a result, the path from the tennis court parking lot to the main parking lot is closed. While there is a path on the outside of the fence, it is not safe for students to use. There are still spaces available for \$25 in the driver education lot on a 1st come first serve basis. There are also spaces still available in the SR lot for seniors. Please do not allow your student to park in the tennis court lot. The application for parking is attached to the email portion of this message.

CELL PHONES IN LOCKER ROOMS

Students are not allowed to use their cell phones in the locker rooms during PE classes or any other time. This is a privacy violation for other students who are changing their clothes. PE teachers and coaches will strictly enforce the "No Cell Phone" policy in the locker rooms.

SPRING SPORTS TRYOUTS

Spring Sports Tryouts begin Monday, Feb. 19. This includes Baseball, Softball, Outdoor Track, Boys & Girls Soccer, and Boys & Girls Tennis. All students must have a current VHSL Physical on file with the school in order to participate. In addition - all boys interested in our start up lacrosse program need to see Mr. Agee or Mr. Jesionka
